### What to bring to class:

neutral piecing thread; invisible thread – I recommend Superior’s New Mono Poly sewing machine with zigzag stitch capability in good working order, with power cord, and foot pedal. Open toed foot or see-through foot and extension table (desirable but not mandatory). Sharp Needles (size 80) and pins (straight for piece work). Extra bobbins.

Scissors – one pair for paper and one pair for fabric/threads

Rotary cutter, cutting ruler (1” x 6” or larger) and mat (9” x 12” or larger)

Seam ripper

Tweezers, optional but handy

Spray Sizing or Fabric Finish – I prefer Magic Spray Sizing (can share with friends)

Thread catcher and/or garbage sack

All fabrics cut and labeled as outlined above and all leftovers.

Your copy of *Circle Quilts*, is very handy to have.

I will bring all the paper patterns for you!!
