

Circle Quilts – Labyrinth Project

This is a scrappy project, so start selecting fabric from your scrap bags and small pieces from your stash.

Fabric Requirements

Ring Fabrics 2 yards in a variety of values and patterns

Background 1 ¼ yards

Border and binding 1 ½ yards

Cutting Instructions

Cut ring fabrics into 21" lengths – then cut into the following 21" lengths

Ring Fabrics cut 16 – 1 ¼" strips
cut 32 – 1 ½" strips
cut 32 – 1 ¾" strips

Background cut into a 42" x 42" square (for smaller version cut into a 40" square)

What to bring to class:

neutral piecing thread; invisible thread – I recommend Superior's New Mono Poly sewing machine with zigzag stitch capability in good working order, with power cord, and foot pedal

Open toed foot or see-through foot and extension table (desirable but not mandatory)

Sharp Needles (size 80) and pins (straight for piece work)

Extra bobbins

Scissors – one pair for paper and one pair for fabric/threads

Rotary cutter, cutting ruler (1" x 6" or larger) and mat (9" x 12" or larger)

Seam ripper

Tweezers, optional but handy

Spray Sizing or Fabric Finish – I prefer Magic Spray Sizing (can share with friends)

Thread catcher and/or garbage sack

All fabrics cut and labeled as outlined above. Grocery sack for selecting fabrics.

Your copy of *Circle Quilts*, is very handy to have.

I will bring all the paper patterns for you!!
